

Executive Directors Report

The Summer Camp season is less than 2 months away!! Many kids have signed up and we are looking forward to another great year. We are excited to see around 350 campers join us this July, as we explore who God is and our identity in Him, while having a massive amount of fun. If you haven't signed up for Kids Camp yet, don't delay. There are limited spaces available.

Please continue to pray for Kahquah this summer. Pray for safety for all the children and that their hearts may be open to the love of Jesus. Pray for our staff this summer, that as they serve together, they may grow closer to God and develop leadership skills that they can use at camp, as well as back home throughout the year in their communities, schools and churches.

As we were nearing the end of 2018, we were concerned about meeting our budget and anticipated a shortfall. People responded to the Summer Celebration Event and the year-end letter that went out. Donations increased significantly in December. This allowed for 2018 operations to finish off in the BLACK! This was amazing, and it couldn't have happened without the generosity of so many. Thank you to everyone who participated in this ministry through giving last year.

Our introduction letter in 2018 shared how excited we were to start in the role of Executive Directors for Kahquah, but it also shared how Kahquah was in a Feasibility Phase and many wondered what the future would hold. I am so excited to report to you that Kahquah has moved out of the Feasibility Phase and our focus is now on the years ahead.

Upkeep of the camp facilities is important moving forward. Many of our buildings are in need of repair and some need to be completely replaced. A plan is in the works to assess our current buildings and determine where the focus needs to be in upcoming years to ensure we are able to maintain our facilities. Over the past number of years, many improvements have been made to our facilities and our desire is to continue these improvements to make the best use of the facilities that we have.

We thank God for the opportunity to be a part of the ministry at Kahquah and have a front row seat to see the ways He has been providing, and transforming lives. Many thanks to everyone who is supporting this ministry.

Colossians 1:27 "To them God has chosen to make known among the Gentiles the glorious riches of this mystery, which is **Christ in you**, the hope of glory."

In Christ,

Ryan & Amy Terpstra
Executive Directors
