MAKING MEMORIES, CHANGING LIVES

Life moves fast. Noise, pressure, screens, expectations. Sometimes what we really need is to rewind. The Big Rewind is a chance to step away from the noise and go back to something real. A weekend to slow down, reconnect with God, and rediscover a faith that isn't filtered or curated. Press rewind. Listen again. You might hear something that changes your life.

The Band

The Bandwagonears is a group based in the Niagara Region in Ontario, Canada. The band consists of Frontman and Rhythm Guitarist: Caleb Eisen, Drummer: Brandon Claveau, Bass and Back-up Vocals: Gordon Kentie, and Lead Guitarist: Matt Beni.

The band has been active since May of 2022 and has been playing various gigs all over Southern Ontario. What bonds the group together is their common passion for pointing people toward Jesus through music.

Nolan Beni is the owner of a busy digital media company, working daily at the intersection of screens and algorithms. Having served as a youth pastor for over a decade, he has a deep passion for students and a desire to help them look beyond the noise of the digital world to focus on what matters most—Jesus.
